By Order dated June 25, 2012 (Docket No. 29), the Court set a briefing and hearing schedule for a motion in this case. The parties are presently engaged in plea negotiations and believe that a modification to the briefing schedule will improve the chance of a plea agreement being reached. Accordingly, the parties stipulate and request that the Court modify the briefing schedule so that the deadline to file a motion is modified from July 10 to July 17, 2012, and the deadline to file an opposition is modified from July 31 to August 7, 2012. The deadline to file a reply will remain at August 14, 2012, and the motion hearing will remain at September 4, 2012, if a hearing is necessary. Thus, if the Court approves this proposed new schedule, the only change will be that Defendants will submit their motion, if at all, one week later, but Defendants will have only one week for their Reply, instead of two weeks. The United States will have the same amount of time as currently contemplated to file its Opposition, and the Court will not have to alter the hearing date.
